Flowers Gallery is pleased to announce the 21st edition of *Artist of the Day*, a valuable platform for emerging artists since 1983. This two week exhibition showcases the work of ten artists, chosen not by the gallery, but by established professional practitioners who have each nominated a talent of their choice.

Each selected artist will present a solo body of work at our Cork Street Gallery for one day only, open for public view 11am – 7pm. The selected artist will be present throughout the day, and the selector will also attend to discuss the collection with visitors. None of the chosen practitioners have exhibited with Flowers Gallery to date, and for many this will be their inaugural show in the UK capital. On Saturday 28th June and Saturday 5th July, group exhibitions of the Week One and Week Two artists will be held 11am – 6pm, providing a second chance to view the work.

The criteria for selection are talent, originality, promise and the ability to benefit from a one-day exhibition of their work. The 2014 chosen artists cover the fields of painting, sculpture, photography, video and performance art, offering a unique glimpse into rising stars of the art world as chosen by some of the most prominent figures in contemporary art. Refreshments will be served 12 – 2pm daily.
