Flowers Gallery is pleased to present the 43rd edition of the renowned *Small is Beautiful* exhibition, taking place at their Cork Street galleries and online. Established in 1974, *Small is Beautiful* invites selected contemporary artists from all disciplines to contribute works with a fixed economy of size, each piece measuring no more than 7 x 9 inches.

An occasion for artists to explore scale in relation to their own practice, since its inception the exhibition has provided a rare opportunity to showcase smaller pieces by internationally-recognised names and discover new talents at a lower price range.

Small is Beautiful will feature approximately 140 artists, with notable inclusions from Olivia Bax, Ken Currie, Helen Downie (Unskilled Worker), Elger Esser, Nigel Hall, Maggi Hambling, Claerwen James, Laurence Noga, and Tai Shan Schierenberg, amongst many more.

Katie Mawson (b. 1963), *Colour Narratives*, 2025, Vintage book cloth, 18 x 18 cm

Alexandra Baraitser (b. 1971), *By Lamp Light*, 2025, Oil on board, 21.5 x 18 cm
