Flowers Gallery is pleased to present the 44th edition of its renowned *Small is Beautiful* exhibition, taking place at their Cork Street gallery and online. Established in 1974, Small is Beautiful invites selected contemporary artists from all disciplines to contribute works with a fixed economy of size, each piece measuring no more than 7 x 9 inches.

An occasion for artists to explore scale in relation to their own practice, since its inception the exhibition has provided a rare opportunity to showcase smaller pieces by internationally-recognised names and discover new talents.

This edition of *Small is Beautiful* will feature approximately 100 artists, with notable inclusions from David Hepher, Claerwen James, Lucy Jones, Ishbel Myerscough, Laurence Noga, Tai Shan Schierenberg, and Adrian Wisziewski, amongst many more.
